3. The purpose of union education and development activities is to educate members to become Union Activists in a way that is mutually beneficial to the individual member and to all Local 3550 members. Briefly describe the goal you hope this activity will accomplish and how you will share and implement the information you have received with other members of Local 3550.

As per the CUPE 3550 bylaws, a written report outlining the activity must be provided to the Education Committee Chair no later than one month after attending the course or convention. Failure to do so may result in not being approved for future education opportunities. _____ Member Initials

I acknowledge that I will be attending this event as a representative of CUPE Local 3550 and will conduct myself in accordance to the code of conduct as referenced in Appendix E of the current CUPE National Constitution.
